

# Tariff Notice TN – 49

March 4, 2010

The Canada Border Services Agency (CBSA) wishes to advise you of certain amendments to the *Customs Tariff* announced in the Budget which was presented today by the Minister of Finance.

These changes will come into effect March 5, 2010.

The Most-Favoured-Nation (MFN) rate of duty for a number of tariff items is being reduced to zero; while certain others will be subject to a staged reduction to MFN duty-free. In a few cases, current tariff items have been split as the reduction to MFN duty-free for some goods will be immediate and for others will be staged. The details of which tariff items are affected are found in the attached extract from the Ways and Means Motion.

The changes are expected to be available for use in the Customs Commercial System (CCS) by March 10, 2010 and will be available for use by Electronic Commerce clients one day after the Customs Commercial System is updated.

Updates to the Departmental Consolidation of the *Customs Tariff* will be produced shortly. A separate Tariff Notice will be issued to advise you when they will be available.

For further information regarding the publication of the *Tariff*, please contact Grant Tebbutt, Manager, International Nomenclature Development & Tariff Publishing at (613) 952-3655.
