Customs Broker/Importer Search for Manifest Forward - ManifestForward.ca

We are pleased to announce that the Customs Broker/Importer Search for Manifest Forward is now live at [ManifestForward.ca!](#)

Carriers and freight forwarders will have the option of nominating customs brokers to receive either or both Cargo (Manifest) data and notices. In order to do so, the carrier must include the customs broker's Account Security Number (ASN) in the Secondary Notify Party (SNP) field and indicate what the broker should receive.

The Customs Broker/Importer Search tool allows carriers to look up ASNs, as well as other important contact information.

If you wish to list your company's information, please refer to the following:

If you have any questions or comments about the search, please contact Magda Jaros at mjaros@cscb.ca.

Let's make eManifest a success story for us all!
