Manifest Forward - Customs Broker/Importer Listing for CSCB Members

Before you start, consider the following:

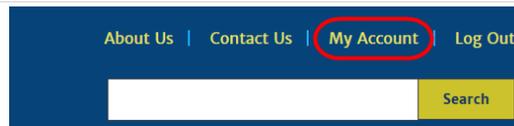

- Will you have a single point of contact to address carrier concerns relating to Manifest Forward? If so, decide whether your single point of contact is your headquarters or a branch location.
- Will you have multiple points of contact to address carrier concerns relating to Manifest Forward? If so, decide which branch locations will be points of contact.
- Will any single branch location be designated as the contact point for more than one port of entry? If so, the port of entry code field for that branch can be populated with multiple codes.
- Have you considered arrangements for 24/7 coverage of the email addresses and phone numbers provided as contact points for Manifest Forward?

Once ready, follow these steps to update the Customs Broker/Importer Search for Manifest Forward. **Only principals and designated CSCB contacts** of CSCB member firms may login to their CSCB accounts and enter the required information for their firms.
