158	Nedra	Yurkowski	2012	Prairie

About CSCB's CBSA Stars Program:

Since 2012, CSCB members have recognized CBSA staff across the country for doing their job with knowledge and goodwill and making a positive difference to the trade community every day. The recognition may be for a single situation which made a difference, or for an ongoing attitude of cooperation and professionalism. We find stories at local ports, regional offices, and national headquarters, and the only restriction is that this recognition rewards the efforts of people below the senior management level.
