

## Freight Forwarder Implementation Webinar

### Chat Box Questions – August 10, 2017

1. Interim period is currently open ended, correct? Minimum 45 notice when the end date will be announced? **02:25 mark**
2. CN 17-15 indicated at least one year? **04:14 mark**
3. With regards to highway, can house bills be destined for release at FPOA or must they move in-bond to the CW? **06:21 mark**
4. I have had 2 incidences in the last week, where the cargo has been both reported and arrived and I am able to see that status on CBSA site. However, the customs broker is getting reject messages saying the cargo must be reported and arrived. **12:34 mark** (Donna to provide more information)
5. I have one other question. Regarding the 8/14 date. If an electronic house bill is sent in error, what happens? **14:06 mark**
6. Can we continue to file eHBL - BCN cargo at the primary warehouse? **22:57 mark**
7. Does CBSA have any plans to introduce any new messages associated with re-manifests and abstracts (Re: Chapter D11 of ACE) where there are new statuses (i.e. re-manifested / abstracted) and the new CCN's are returned to the previous carrier? **26:12 mark**
