

ELECTRONIC LONGROOM - COMMERCIAL 497 **EMAIL SUBMISSIONS** **ACCEPTING: QUALIFYING COMMERCIAL DOCUMENTATION**

May 1st, 2020

To our clients and partners,

SUBJ: *Enrollment in Pearson International Airport's Commercial Operations Electronic Longroom (Commercial 497)*

In an effort to offer our clients and partners more service options and provide safe and efficient services to the importing public, Pearson International Airport's Commercial Operations is expanding their Electronic Longroom Pilot Project to include qualifying Commercial Entry submissions via a **NEW** email inbox.

Starting on, **Monday, May 4th 2020**, GTAR Commercial Operations District, Cargo 3 will be accepting qualifying commercial entry types via email. Monitoring of the inbox will be prioritized during Monday - Friday core business hours.

At this time, we will only be accepting the entry types listed below:

- A48 Corrections
- Blue (High Value) and White (Low Value) C Type entries
- V Type & H Type Entries
- RMD Packages - Cadex and RMD packages that do not require original copies or permits
- Y50's (RMD/EDI) - Y50's applied to RMD packages or EDI entries as long as officers are not requesting original documents or permits. NOTE: No LVS Y50's will be accepted via this inbox at this time
- Aerospace Entries
- Automotive Parts

***** NOTE:** All other types of submissions that are sent to this inbox will **NOT** be processed at this time *******
We will be evaluating the inclusion of more entry types in the future. You will receive correspondence if and when further additions are made.

All companies are invited to enroll in the Electronic Longroom. It is important to follow all of the instructions accurately in order for your company to participate in the program.

If your company is interested in participating, please follow the steps below:

1. Send an email to: **CBSA.Commercial-497.ASFC@cbsa-asfc.gc.ca**
2. Ensure that the Subject line is: **"COMMERCIAL 497: E-STAMP ENROLLMENT AND INSTRUCTIONS"**
3. Wait for us to respond to your email with instructions on how to enroll and how to submit your documentation.

Sincerely,
