CSCB National Scholarship

Zain Fecto

McMaster University

Field of Study: Engineering

“I am very grateful to be selected as the recipient of the CSCB National Scholarship. I would like to thank the scholarship committee for recognizing my hard work and supporting me as I begin my post-secondary studies. This scholarship will help me as I continue my education and work towards my future goals. I truly appreciate this opportunity and am thankful for the support and encouragement that comes with it.”

CSCB Guy Graveline Scholarship

A portrait of Rafay Salman, a young man with dark hair and glasses, smiling. He is wearing a black graduation gown with a white shirt and a dark tie. A blue and yellow sash is draped over his shoulders. The background is a solid blue color.

Rafay Salman

University of Toronto

Field of Study: Engineering

“I am incredibly grateful to be selected as a recipient of the CSBC National Scholarship. Thank you to the CSBC for supporting students like me as we begin the next chapter of our education. This recognition means a great deal to me, and I am excited to carry this support forward as I pursue my studies in electrical engineering at the University of Toronto.”

Undergraduate Scholarship

Eligibility:

- A child, stepchild, grandchild, or under legal guardianship of an individual employed with a CSCB member firm or an individual employed with a CSCB member firm;
- must be a student continuing their post-secondary studies at an accredited university or college in Canada; and
- must be entering a subsequent year of study beyond year one.

Undergraduate Scholarship

Tyler Eley

University of Victoria

Field of Study: Economics

“I would like to thank the selection committee for considering my application and selecting me as a candidate. It means a tremendous amount to me that CSCB is supporting my education at Uvic this year. The financial support will without a doubt ease a lot of the financial stress that comes with being a student. So once again, thank you!”
